Information About Our Use of Cookies

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer (if you consent to us using cookies). Cookies contain information that is transferred to your computer's hard drive.

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our website.

Please note that our advertisers, should we use them, may also use cookies, over which we have no control.

You can block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our site.

By using our website, you consent to our use of cookies as described above.
